Sl.no	Suggestion	Action Taken	Impact
1	The college library can be improved by adding more books and digital resources, extending hours, and creating both quiet and group study spaces. An online system for book search and borrowing would also be helpful. The college canteen has been newly constructed with well-equipped infrastructure. The contract of the College Canteen has been given with a fresh agreement with the Authority and Vendor. Newly constituted Committee also monitor the availability of affordable and healthy meals.
