ABOUT THE COLLEGE

Kherajkhat College is a premier institution of Higher Education in the district of Lakhimpur, Assam. Established in 1982 and affiliated to Dibrugarh University (presently affiliated to Madhabdev University), the college has been included under 2(f) and 12(B) of the UGC Act 1956, and accredited by the UGC-NAAC in 2017. The college has been upgraded to Model Degree College (MDC) in 2018 by the Ministry of Human Resource Development (MHRD); Govt. of India. The College imparts education in Arts and Science at Under Graduate level (FYUGP) in both Assamese and English medium. Besides, the College felicitates P.G. Courses under Directorate of Open and Distance Learning (DODL) under Dibrugarh University and various PG, Undergraduate and Diploma Courses conducted by the Krishna Kanta Handiqui State Open University.

OUTLINES OF THE THEME

The Indian higher education system has undergone significant transformation over the past decades, with successive policy interventions aimed at enhancing access, equity, and quality. The recently introduced National Education Policy (NEP) 2020 represents a landmark shift in this trajectory, envisioning a comprehensive overhaul of the education landscape in India. As the country grapples with the challenges posed by the COVID-19 pandemic, the need to reimagine and reinvent higher education has become more pressing than ever before.

This seminar, titled "Reimagining Indian Higher Education: NEP-2020's Vision, Challenges, and Prospects," provides a timely platform to critically examine the transformative potential of the new policy and the multifaceted implications for the higher education sector in India. By bringing together eminent scholars, policymakers and practitioners, the seminar aims to generate insightful discourse on the key tenets of NEP 2020, the challenges that lie ahead, and the promising pathways for its successful implementation.

OBJECTIVES OF THE SEMINAR

1. Create Awareness about the goals of the NEP-2020.
2. Find-out the challenges that lie ahead
3. Promising pathways for its successful implementation of the NEP-2020.
